PORTFOLIO — austinthe king.com

EXPERIENCE — North Alabama Fabricating Company

Marketing Strategist 2024-present

Led NAFCO's digital transformation by developing a modern headless website (staging.nafcofab.com) using GSAP for animations and Lenis for smooth scrolling. Built an intuitive CMS for easy content updates and optimized performance with Webpack and Vanilla JavaScript. Also managed all marketing materials, including brochures and trade show displays, ensuring brand consistency.

Mississippi College

Digital Content Producer 2022-2024

Joining staff during a rebrand, I have been charged with carrying out the application of new assets on frequently requested projects. I currently oversee all forms of internal and external communication of our brand along with art direction on unique and particular campaigns.

Mad Genius Labs

Graphic Designer 2021-2022

Oversaw the development of assets and visual research for rebrands, film productions, web designs and more. Duties included naming research, client communication, presentation development, logo design, animation, photography, storyboarding & more.

EDUCATION — Mississippi College

B.S. Graphic Design W/ Mkt. Concentration 2016-2020

SKILLS — Full Adobe Suite | JavaScript | Html/CSS | DevTools | Git/Node.js
Wordpress | React | Vite | Typescript | SQL | Java
